Re: Former Carraway Office Building and Warehouse Auction

To whom it may concern,

I highly recommend Granger, Thagard and Associates as a way to sell property. They were able to aggressively market two parcels of commercial real estate and bring willing and able buyers to the table. Their dedication and hard work brought my efforts to sell assets to a happy conclusion. I couldn't imagine a more professional and energetic commercial real estate auction firm capable of accomplishing what Jack Granger was able to do for our estate.

Best regards,
James G. Lucas
